HOSPITAL PHYSICIAN PARTNERS 2011 CME ACTIVITY DESCRIPTIONS

AIRWAY MANAGEMENT COURSES

The Difficult Airway Course™ provides a comprehensive “hands-on” educational experience to prepare ED physicians for airway emergencies. This emergency medicine edition is a seminar, workshop, and practical skills-based, intensive three-day course in emergency airway management. This program provides 21.75 *AMA PRA Category 1 Credits™*.

THE HEART COURSE

This emergency medicine edition is a seminar, workshop, and practical skills-based, intensive three-day course designed to provide participants with state of the art information from authoritative experts to achieve efficient and appropriate management of a broad spectrum of cardiovascular emergencies management. This program provides 21.25 *AMA PRA Category 1 Credits™*.

DOCSTAR ORAL BOARD REVIEW COURSE

DocStar Educational Inc. is a Florida based company which offers an Oral Board Review Course for Emergency Medicine physicians eligible for oral board certification through ABEM, ABOEM and ABPS. This two-day preparatory course features a guaranteed pass rate, a low 3:1 student to instructor ratio and provides 12 *AMA PRA Category 1 Credits™*.

CRITICAL POINTS IN EMERGENCY MEDICINE

Designed specifically for the emergency physician and hospitalist, this course gives you the vital skills and Critical Points you need to optimally manage the acutely dying patient. Learn a systematic approach to the patient presenting with life-threatening shock, hypoxia, injury or arrhythmia from the initial resuscitation to the first critical hours of stabilization. Earn 19.25 *AMA PRA Category 1 Credits™*.

CRITICAL CONCEPTS IN EMERGENCY MEDICINE

This course discusses current and emerging trends in emergency medicine focusing on trauma, cardiology, toxicology, infectious diseases and pediatrics and includes non-invasive ventilation, bedside ultrasonography and airway management. At the conclusion of the conference participants will be able to discuss and debate the most current trends in emergency medicine critical care. Earn 15 *AMA PRA Category 1 Credits™*.

ROCKY MOUNTAIN WINTER CONFERENCE ON EMERGENCY MEDICINE

Held over 5 days high in the Rocky Mountains in Colorado, this conference will present to participants the most up-to-date evidence-based information on several topics in emergency medicine, including Airway, Analgesia and Anesthesia, Cardiology, Orthopedics, Pediatrics, LLSA, Administration/Practice Management, Ultrasound, Health Care Reform, Toxicology and Infectious Disease. Multiple program tracks provide up to 16.75 *AMA PRA Category 1 Credits™*.

EXPEDITION WILDERNESS NATIONAL CONFERENCE

This course trains participants to work in wilderness, extreme and remote environments, or consult on patients who have returned from these locations. This three-day program is a refreshing alternative to a typical CME course and provides 20 *AMA PRA Category 1 Credits™*.

HOSPITAL PHYSICIAN PARTNERS FREQUENTLY ASKED QUESTIONS (FAQS)

Q: Will the schedule change or is it set for the year?

A: The courses listed are set for this year; however, new courses may be added. If this happens an announcement will be made.

Q: I tried to register online, but was asked for a password. What should I enter?

A: Certain courses require a code to signify your affiliation with Hospital Physician Partners. If you have any issues registering online, or to obtain a password, contact John Schreiner at jschreiner@hppartners.com or via phone at 800-815-8377 Extension 5240.

Q: Are course books included in my discounted registration fee?
