### HPP Helps Lead Fundraising Efforts for The Leukemia & Lymphoma Society

*Hollywood, Florida, November 23, 2011* – Hospital Physician Partners (HPP) recently partnered with The Leukemia & Lymphoma Society (LLS) to help fight cancer. LLS’s Light The Night Walk was held on Saturday, November 5 in Durham, North Carolina and November 12 in Fort Lauderdale, Florida. The Walk is the LLS’s annual fundraising walk to pay tribute and bring hope to people battling cancer.

Over 25 members, of the HPP team from the Durham, NC, Plantation and Hollywood, FL offices attended with their families and helped raise nearly \$10,000 in donations. The team volunteered in the setup for the event while partnering with other families, friends, and local corporations to bring help and hope to people battling cancer. Due to all their hard work and efforts, the HPP Team was honored at the event with induction into the “VIP 5280 Club” which includes any individual or teams which raised between \$5,280 and \$9,999.

“The Light The Night Walk was a great opportunity to strengthen our relationship and support to our community partners and we look forward to the next event,” said Hospital Physician Partners Vice President of Marketing and Communications, Al Emerick.
